

WHEN YOU ARE HURTING!

When you feel like God has abandoned you.

On a cross Jesus felt the same He's been there too.

When you feel abused and totally worn out.

Our Christ has been there too without a shadow of a doubt.

When your wallet is empty, and the credit cards as well.

Know our God has seen the depths of hell.

*God's love was shed for me.
As God died on the tree.
His death brought life on calvary...*

When you feel ready to give up and you can't carry on.

Look to the heavens God created, God has not abandoned you or gone.

Hang in there stand strong in victory.

Knowing that our Savior died for you and me.
